

REQUEST FOR PROPOSALS FOR PUBLIC MURAL IN THE VILLAGE OF FRUITPORT

The Village of Fruitport is issuing a call for artist proposals for an outdoor public mural. The location is the back of the bandshell in Pomona Park in the Village of Fruitport. The mural wall faces Spring Lake and the boat launch and boat launch parking area. The Village of Fruitport Planning Commission is looking for proposals that incorporate historical motifs that represent the Village of Fruitport from 1869 to the present. A variety of materials can be used but the materials need to be able to withstand the outdoor elements. We are looking for artists that reside in Muskegon or Ottawa county. The budget for the project is not to exceed \$8,000. Project must be completed by September 30, 2024.

Proposals, including line-item budget, will be accepted through May 24, 2024.

Please send proposals and any questions to:

PlanningCommission@fruitportvillage.org.
